Preparations are being made for the Religious Emphasis Week, under the direction of Dr. Gordon Strong. The week-long series of events will start the first week in March.

Main speakers for the week are Rev. Edward F. Coffman, Jr., William A. Greenebaum II, and Mrs. Charles Caldwell.

Committee chairmen and their aides were selected more than a month ago, with each group consisting of a faculty and student leader. Judith Krutz and Jerry Knauss are the overall Religious Chairmen.

MSC's Ski In Colorado

During the semester break 15 MSC students visited Crested Butte, Colo., and other ski areas in the state.

Five car loads went at different times as the trip was not college sponsored. The sport fans reported good weather, fine skiing and no broken bones.

Skiing enthusiasts on the trip included Jeannie Meadows, Rich Schmitz, John Atwater, Jim Meidinger, Fred Messner, Bob Hartsock, Dennis Rhodes, Dick Shipley.

Bob Cotter, E. L. Burch, Darrell Cotter, Ed Atkins, Terry Day, Mike Thompson, and Don Daniel.

Mr. Fred Handke, MSC business instructor, and his daughter Gretta, also made the trip. MSC graduates in the group were Mike Boos and Roger Caudle.

March of Dimes Drive Organized

The college March of Dimes drive goes into full swing this week.

The Alpha Phi Omega-Gamma Sigma Sigma committee plans to collect money all over the campus in an effort to top last year's drive.

A wishing well has been placed in the den, collection boxes have been set up in department offices, and other boxes are located throughout the campus. Campus organizations have been asked for group contributions. The cheerleaders will collect money at the halftime of the St. Benedict's game Thursday night.

Committee members are Doris Schreiner, Pat Bird, Bill Nelson, Bob Patience.

Fencing Club Date, Feb. 12

Mrs. Dorothy Walker of the Women's Physical Education Department, MSC, announces the formation of a Fencing Club open to any individuals who have had a fencing course or any teachers in the area who would be interested in learning fencing technique.

All people interested are invited to attend an organizational meeting at 6:00 p.m., Wednesday, February 12, at Martindale Gymnasium. Members will have an opportunity for bouts and practice in technique. They are asked to bring a sports outfit and tennis shoes by Mrs. Walker. If unable to attend at this date, Mrs. Walker asks prospective members to contact her.

Ann Brown Is February Key Coed

The MSC chapter of Cardinal Key honor society has named Miss Ann Brown, Cardinal Key Coed for February. She is a senior from St. Joseph, majoring in business.

Miss Brown was cited for her work in the women's dormitories. She served one and one-half years as night

Ann Brown

chaperon before assuming her current position as assistant director of Roberta Hall.

The honor organization mentioned the time and effort which Miss Brown put into her work and the responsibility which she assumed. She also has maintained a high scholastic average, ranking on the Dean's Honor Roll several times.

Mrs. Mabel Grimes, the new housemother of Roberta Hall, said, "Being a newcomer to Roberta Hall, I would have been completely lost without Ann's leadership. If a problem arises, Ann is very happy to help anyone she can whether it be in Roberta Hall or the other dormitories. Indeed, Ann Brown is a nasset to this college."

Senate Revamps Tower Queen Election Rules

The Student Senate modified the procedure for electing the Tower queen at their final meeting of the first semester.

A panel of three judges from outside the college will select three finalists who will be voted on in a general election. The pre-judging will be a Miss America-type contest held in the college auditorium two days before the election.

Tower Dance Date Changed

The annual Tower Dance has been shifted from Feb. 29 to Mar. 14 according to the student activities office.

Since Lamkin Gymnasium is scheduled for the high school Class S regional basketball tournament on the final weekend in February, it was necessary to change the date of the dance.

Current plans of the Union Board Dance Committee are to use a Roman theme for the decorations. The dance will begin at 9 p.m. The queen will be crowned at an intermission ceremony by Student Body President, Jim Sanders.

Also scheduled for the intermission is the announcement of the Tower dedication by Tower editor Ellen Grube. The 1963 Tower was dedicated to Dean Robert Foster.

Study Day to Continue In Spring Semester

According to an announcement from the President's office, May 26 will be set aside as a study day. It will precede the beginning of finals on Wednesday, May 27.

The announcement would indicate a continuation of the policy of a break between regular classes and finals which was initiated last semester. The policy was begun after a Student Senate committee asked the administration to consider setting up such a break.

The Senate set Feb. 25 as the deadline date for the filing of candidates. A \$10 entry fee will be charged to each candidate to pay for the judging.

On March 11 all candidates will meet the judges at a tea held in the afternoon and will have individual interviews afterward. Both candidates and judges will attend a banquet in the evening.

Judging will begin at 8 p.m. in the auditorium and will consist of talent performances, presentation in formal and informal wear, and answering questions asked by the judges. No admission charge will be made.

Voting on the three finalists will take place March 13 from 8 a.m. to 4 p.m. in the student lounge of Colden Hall. The queen will be crowned at the Tower Dance, March 14, in Lamkin Gymnasium.

The Senate also decided to submit proposed re-apportionment amendments to the student body again at the Tower Queen election.

See page two for comment on reapportionment and a questionnaire on different types of Senate representation.

Although a plan to alter the membership of the Senate failed earlier this year, the Senate felt that the constitutionally required one-third of the student body would vote in the upcoming election. The earlier voting favored the amendments by an eight to one margin, but only 449 students voted. Slightly over 900 total votes were necessary to validate the election.

Coeds to Contribute To Mademoiselle

Misses Susan Bouska and Pat Phillips will represent MSC on the college board of Mademoiselle magazine this semester.

The two senior coeds will report campus news to the magazine and will be eligible for guest editorships during the summer. They were chosen for their talent in art, writing, fashion, merchandising, promotion, or advertising.

Enrollment Increases

The second semester enrollment at Northwest Missouri State College has increased to a total of 2593, of which 50 are graduate students.

ALL THAT JAZZ

Take Your Pick

The Student Senate is planning to submit constitutional amendments to reorganize Senate representation at the Tower Queen election March 13. Between now and then the Senate will re-examine the proposals which were defeated earlier this semester and formulate a new plan.

We on the Missouriian staff have formulated five different plans for the apportionment which outline five different ideas in representation. We ask that you check the plan which you like best and drop the ballot off at the Missouriian office 109 Colden Hall or in the ballot box in the Den. We will then submit your opinion to the Senate for their consideration.

On Thursday, Feb. 20, the Senate will hold a public hearing on the reapportionment proposals. Any organization, group, or individual who would like to hear the why's and wherefores about reapportionment or who would like to present alternate plans or ideas should come. The meeting will begin at 7 p.m. in the Student Union.

This is a chance for every individual as well as every group to have something to say about the new Senate. Don't let the opportunity slip by.

Each plan is given with a brief summary of its intent and then a listing of the groups who will have Senators, the number of people in each group (all figures are those for the first semester of this year), and the number of Senators each group would have.

Plan I

This is the proposal which the Senate made earlier. It gives both organizations and housing units representation. The dorms get 1 senator for every 200 residents.

A Mid-Year Evaluation

During the semester break our tireless statistician Mean Average did some figuring and comparing. Using the issues of the Northwest Missouriian for the first semester of each of the past four years he arrived at the following set of figures:

	1960	1961	1962	1963	4 yr. gain
Total issues	11	11	13	13	18%
Total pages	52	48	64	92	76%
Number of pictures	95	70	146	141	48%
Column in. of pictures	530	242	574	749	40%
Column in. of advertising	766	723	965	1961	255%

What do these figures mean? First, they mean that you are getting more paper with more pictures and more advertising. Second, they indicate that the college is growing and that consequently the amount of news about the college is growing. Third, they indicate that ye olde editors are having to work harder to fill up that 76% increase in space.

One note of caution: before you jump to erroneous conclusions about the increase in advertising space, remember that to a certain extent the increased advertising revenues have made possible the increase in space available for news.

One set of figures not included was the number of eight-page papers. During the first semester of 1960-61, two eight-pagers were printed. '61-'62 had one, '62-'63 had three and the past semester had eight eight-pagers and one twelve-page paper.

THE COLLEGE OATH

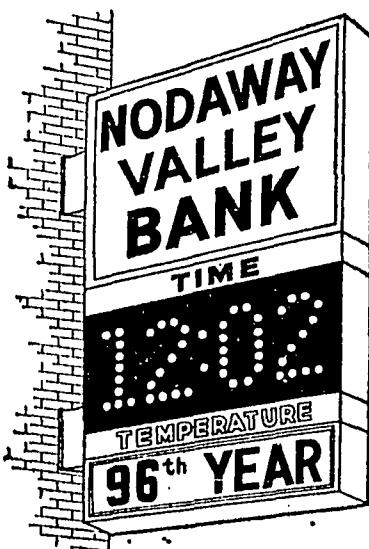

"We will never bring disgrace to this, our College, by any act of cowardice or dishonesty. We will fight for the ideals and sacred things of the College. We will revere and obey the College laws and do our best to incite a like respect and reverence in others. We will transmit this College to those who come after us, greater, better, and more beautiful than it was transmitted to us."

Letter To The Editor

We are frequently bombarded with questions about why we don't write an editorial about various subjects. The person asking the question usually has a complaint to make about something or feels that he has gotten a raw deal.

Our reasons for not launching into a vigorous editorial campaign to slay every dragon we hear about are numerous. (1). There are subjects on which we are not qualified to speak. (2). Some problems exist because of factors which cannot be changed. (3). Some attitudes and problems would only be worsened by attack or publicity while they could be solved by other means.

The question we ask is: Why don't you write a letter to the Editor? If you know so much about something and feel you have something worthwhile to say, write it down and we'll print it. This is not to say that we will print absolutely everything that anyone turns in. The letter must stay within certain bounds of decency and libel. But we will not censor the letter because it is critical of the Missouriian or of the College.

As we have frequently stated, all letters must be signed so that we will know that they are responsible letters written by actual people. If you desire that your name be withheld, we will do so.

If you have a gripe, let the whole campus know. Write a letter.

Dr. Harr Serves State Department Of Social Science

Dr. John Harr, Chairman of the Social Science Department of Northwest Missouri State College, attended a conference in Jefferson City recently with officials of the State Department of Education.

Delmar Cobble, Assistant Commissioner, and Paul Greene, Director of Teacher Education and Certification, discussed the problem of certification of Social Studies teachers concerning lack of depth and breadth within the 24 hour limitation that is the standard for all areas.

With six distinct subject areas of preparation to provide in European History, American History, American Government and Citizenship, Economics, Sociology, and Geography, the Social Studies teacher faces a unique problem in preparation for teaching. A possible solution was worked out with a recommendation of splitting certification for History and Government and for a second area in Economics, Sociology, and Geography of 24 hours each.

Also attending this conference were Mr. John Dix, president of the Missouri Council and Social Studies Supervisor for Kansas City, and Dean Francis English of the College of Arts and Sciences of the University of Missouri, a past president of the Missouri and National Councils. Dr. Harr also conferred with Dean Herbert Schooling of the University College of Education who has just implemented a 50 hour major in the Social Studies, the first such major in the College.

Dr. Harr has been serving as Chairman of a State Committee serving the Missouri Council of Social Studies and the Missouri History Conference for the past three years studying the problem. He is also a past president of the Missouri Council.

OFF THE MAT... MSC's star 123 pounder, Harvey Hallum, rides Missouri University's Bob Benedetti off the mats. Hallum won the match 3-2 and the Bearcats took the meet 7-2.—Photo by Frederick.

'Cat Matmen Outclass MU; Hallum, Stearns Lead Way

MSC's talented Bearcat wrestlers completely outclassed the Missouri University Tigers, 27-2, before approximately 1200 spectators in Lamkin Gymnasium Saturday night.

The winning effort boosted Coach Jerry Landwer's 'Cats to a 6-0 slate, while the loss was the first of the season for M. U., now 8-1.

Veteran Harvey Hallum opened with a 3-2 triumph over Missouri's Bob Benedetti in the 123-pound class. The loss was Benedetti's first in two years of varsity action. Dave Stearns, 177, racked Pete Salerno, former Illinois prep champion, 11-1. It was Stearns' first match of the season, after enrolling for the second semester. Stearns had been in training for only four days, according to Coach Landwer.

Jim Perez, 'Cat heavyweight, pinned the Tiger's Bob Hennecki in 5:23. Alan Packer had earlier looked impressive in pinning M.U.'s Jim Simpson in the 167-pound class.

Packer's pinning job on Simpson ended Missouri's narrow chances of pulling out the meet, boosting the count to 19-2, favor of the 'Cats. Then Stearns and Perez followed with their wins for the final 27-2 score.

The win boosted MSC's hopes for the NCAA College Division Tournament in Cedar Falls, La., March 12-14. However, Coach Landwer's matmen still have five dual meets left before that tournament.

The wrestlers go to Columbia, Friday, Feb. 14, for a return match with M.U., then will take on Graceland, Feb. 20, Warrensburg, Feb. 21 and Parsons, Feb. 26 in Lamkin Gymnasium... They close the season against Omaha U., Feb. 29, in Omaha. The 'Cats only loss last season in regular meet action came to Omaha by a one-point margin.

The results:

123-pound Harvey Hallum, NW over Bob Benedetti, M, 3-2.
130-pound Jerry Mason, NW, drew with Boyd Brown, M, 5-5.
137-pound Arnold Thompson, NW over Bob Blanner, M, 7-2.

147-pound Ron James, NW, over Rich Adams, M, 5-4.

157-pound Lonnie Wieland, NW, over Steve Eldridge, M, 6-5.

167-pound Alan Packer, NW, over Jim Simpson, M, a pin in 3:18.

177-pound Dave Stearns, NW, over Pete Salerno, M, 11-1.

Heavyweight: Jim Perez, NW, over Bob Hennecki, M, a pin in 5:23.

Bearcat Grapplers Are Now 7-0

The rampaging Northwest State College wrestling squad continued on their winning ways as they blanked Simpson College, Indianola, Ia., 32-0, Saturday afternoon at the MSC gymnasium to bring their dual record to 7-0.

Lonny Wieland broke his own record as he pinned Simpson's Bill Collings in 17 seconds. Wieland's old record for the fastest time for a pin by a MSC wrestler was 26 seconds.

Other pins were by Bert Allen over Wayne Kong, 7:48; Alan Packer over Charles Layear, 1:41; and Dave Stearns over Mike Burke, 3:34.

Ken Malick defeated Al Curtis, 6-2; Al Jensen over Dennis Price, 2-1; Larry Kilmer over Dave Guthrie, 12-0; and Jim Perez over Bob Baier, 4-2.

MSC's next match is with the University of Missouri Friday in Columbia.

Tankers Drop Concordia, 63-31

The M S C swimming team swept to their sixth victory against no defeats by beating Concordia Teachers 63-31, in the college pool last Friday afternoon.

The tankers go against Pittsburg, Kan., this Friday. The Pittsburg team has been strong for several years, but the graduation of two key men last year may give the Bearcats a slight chance of remaining on the schedule. Wentworth Military Academy comes here on Tuesday, Feb. 25.

The swimming team is presently composed of the following men: Frank Fisher, free style; Larry White, butterfly and free style; Bob McCoy, free style; Bill Watson, free style and recently backstroke; Avery West, freestyle; P. D. Fields, free style and butterfly; Ed Atkins, free style and breaststroke; Ed Simons, freestyle; Ed Smith, butterfly and backstroke; Forrest Ohnesorge, backstroke; and the two divers, Scott Marriott and Chuck Nurek.

Mules 80, 'Cats 54

Vallino, Neira Score 20 Each as Warrensburg Chases Cape for Title

MSC's hard-luck Bearcats, playing without the services of three regulars, and a top reserve, dropped an 80-54 decision to the Warrensburg Mules in Lamkin Gymnasium Saturday night.

About the only bright spot for the 'Cats was Nick Neira's 20-point effort, 16 coming in the final period. The MIAA's leading scorer, Bud Vallino, also hit for 20 points for Warrensburg.

The 'Cats held on briefly in the opening minutes of play, but it was soon apparent that a lack of scoring power and board strength was giving Warrensburg a decided advantage as the Mules quickly jumped to a 19 point lead.

Neira was held to 2 for 11 from the field in the first half, while the Mules as a unit blazed away at a 63 per cent clip in the opening period. MSC's 6-6 center, Dave Remund, looked well underneath at times throughout the contest.

Warrensburg connected for 38 of 63 shots for a hot 59 per cent from the field. Maryville hit only 24 of 87 for 28 per cent. From the free throw line, Maryville hit 6 for 12 for 50 per cent, and Warrensburg hit 6 of 16 for 38 per cent.

Tall Mules Control Boards

The winning Warrensburg squad also controlled the boards taking 41 rebounds to 24 for Maryville.

The Bearcats next game is against St. Benedict's Thursday. The visitors defeated Omaha University Saturday night. They are led by Pat Hare, a 6-foot, 7-inch center and have recently added two 6-foot, 5-inch transfers to their lineup.
